Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Sunday 22 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry for most and feeling warm in any sunshine.

Today:
A dry and mostly cloudy start to the day with some showers developing through the morning across northern and eastern areas, however remaining dry elsewhere with sunny spells. Light winds and feeling warm in any sunshine. Maximum temperature 22 deg C (72 deg F).

Tonight:
The odd lingering shower in northern and eastern areas will slowly dissipate, with dry conditions elsewhere and clear skies to the west. Minimum temperature 13 deg C (55 deg F).

Monday:
A cloudy start for eastern areas, however becoming brighter and sunnier across the region through the day, feeling warmer as a result. Remaining dry. Maximum temperature 22 deg C (72 deg F).

Outlook for Tuesday to Thursday:
Fine and dry with prolonged spells of sunshine and light winds for the next few days and feeling warmer than of late. Becoming cloudier on Thursday.
